Notes: Program notes	Montana has four programs that operate under the authority of the 1915(b) waiver. The Passport to Health program is the Primary Care Case Management (PCCM) program. The Team Care program is a sub-program of Passport which began in 2004. The Tribal HIP program (Tribal EPCCM) was created in April 2017 as a partnership between the Tribal, State and Federal government to address factors that contribute to health disparities in American Indians eligible for Medicaid residing on a reservation. The Nurse First program is the nurse advice line that began in 2004.
