Notes: Program notes	<p>As of 2011, Medicaid (known as Oregon Health Program (OHP) Plus), mandatorily enrolled most benefit groups, except childless adults, into fully-capitated MCOs, or offered primary care case managers in some counties where managed care was not available. The program covered acute, primary and specialty care; dental and behavioral health services were covered through separate prepaid health plans, many of which are operated by counties. Under this system, beneficiaries requiring physical, behavioral, dental, and transportation services could receive them from as many as four separate entities. On the Oregon Health Plan/Medicaid program, a person can be enrolled simultaneously in two or three plans. Note: Care Oregon Dental (DCO), Greater Oregon Behavioral Health, Inc. (MHO), PrimaryHealth of Josephine County (CCO), Willamette Dental Group (DCO), Willamette Valley Community Health (CCO), all had closed to enrollment prior to June 2020.</p>
