

State-by-State Health Home State Plan Amendment Matrix

This matrix outlines key program design features from health home state plan amendments (SPAs) approved by the Centers for Medicare & Medicaid Services (CMS). As of March 2024, 19 states and the District of Columbia have a total of 33 approved Medicaid health home models. For more information about health homes, visit the [Health Home Information Resource Center](#).

| State | Model Type | Target Population | Health Home Providers | Enrollment | Payment | Geographic Area |
|-----------------------------|------------------------------|--|---|--------------------|---|-----------------|
| Connecticut | Serious Mental Illness (SMI) | Individuals with SMI, including schizophrenia and psychotic disorders, mood disorders, anxiety disorders, obsessive compulsive disorder, post-traumatic stress disorder (PTSD), and/or borderline personality disorder. | Designated providers are Local Mental Health Authorities (LMHA) and designated LMHA affiliates | Opt-in enrollment | Fee-for-service (FFS) per-member-per-month (PMPM) | Statewide |
| District of Columbia | SMI | Individuals with one or more serious and persistent mental health conditions, defined as: a diagnosable mental, behavioral, or emotional disorder which substantially impairs the mental health of the person, substance abuse disorders, intellectual disabilities and other developmental disorders or seizure disorders, unless those exceptions co-occur with another diagnosable metal illness. | Designated provider: Community mental health centers (CMHCs)—also known as core services agencies (CSAs)—meeting state qualifications | Opt-in enrollment | Tiered PMPM; two rates based on acuity (high and low) | Statewide |
| District of Columbia | Chronic conditions | Individuals with three or more chronic conditions. | Designated provider: Clinical practices, clinical group practices, federally qualified health centers (FQHCs) | Opt-out enrollment | PMPM | Statewide |

This fact sheet was updated for the Centers for Medicare & Medicaid Services by Abt Global and Health Management Associates (HMA).
